Australian Scouting— en français

Les Explorateurs is Canberra's unique scout group, delivering the Australian scouting program in the French language.

The program provides an opportunity for young people to use their French language skills in a fun, safe environment, while gaining valuable life skills.

Qui sont Les Explorateurs ?

« Les Explorateurs » est un groupe de scout unique à Canberra. Ils suivent le programme du scoutisme australien en français!

Ce groupe offre aux jeunes une opportunité d'acquérir et de pratiquer le français. Les activités sont conduites dans un environnement supervisé par des francophones et en toute sécurité. Les enfants peuvent ainsi obtenir de précieuses connaissances pratiques de savoirfaire.
